

Be at Parkside.

An affordable, high-quality education is an investment in your future, and we believe the cost of an education should not prevent any student from achieving his or her educational and professional goals. At Parkside, students receive a strong return on their investment. We empower our graduates and certificate recipients with the knowledge and practical skills to achieve personal and professional success in the changing local and global communities. Our idyllic campus is set on 700 acres of natural Wisconsin prairie and woodland.

ACADEMICS

With 37 majors, 40 minors, multiple certificates, pre-professional programs, online degrees, and now 6 new associate degrees the pathway to brightening your future starts at Parkside.

RESOURCES

uwp.edu/connect/businessandcommunity

Discover Talent | The Advising and Career Center helps to connect job opportunities with our students, through career and internship fairs, career development events, and with RangerTrack where employers can post employment, internship and volunteer opportunities. Our students work hard inside and outside the classroom, with 83% working while getting a degree.

Veterans Services | A team of veteran liaisons from various campus offices and departments is ready to assist veterans and their families and connect them with campus resources.
